

# Safety Precautions for Classes and Workshops During Covid-19

Multiplicity is doing everything it can to continue to offer creative outlets for our customers. Now more than ever, we need to be able to express ourselves in a fun and safe space. To keep our students and our staff safe during this unusual time, Multiplicity has the following procedures in place.

- We require all customers and staff members to wear masks when in the presence of others
- We do temperature checks at the door for all class and workshop participants
- We limit class and workshop attendees to no more than 12 at a time, with work areas that are 6 feet apart from each other
- We have installed TV viewing systems so that students are able to observe detailed instructor demonstrations from their own workstation
- We have cleaning protocols in place, which include regularly disinfecting work areas; providing disinfectant spray, paper towels and hand sanitizer for each student workstation; and cleaning all touch-surfaces after each customer's use
- We ask that all customers and staff members keep a safe distance from each other
- We require registration for every class which allows contact tracing
- We are offering some of our classes and workshops virtually, via Zoom
- We bring a positive attitude, combined with a desire to inspire you, to help you cope better during these stressful times

Come create with us! Learn something new, enjoy a break from your typical day and have some fun in our safe, creative space! Check out our [upcoming classes and workshops](#).

We are here to help each other through these tough times. There is light at the end of the tunnel and it won't be this way forever! 😊
