Jodi Ohl is a best-selling author, award winning mixed media artist and creative instructor, originally from Dunkirk, NY, who now resides in Aberdeen, NC. Having left her day job in 2011 to pursue her artistic career full time, she has built a body of work that is known for its distinctive texture, bold color combinations which are often whimsical or abstract compositions, as well as motivational in nature.

Jodi's best-selling book, "[Abstracts in Acrylic and Ink](#)" was released by North Light Books in late 2016. Her love of color, texture, and playful compositions are evident in the various lines of art she creates and teaches to other aspiring artists.

Combining her approachable teaching and writing style, her book: *Abstract in Acrylic and Ink*, is much like having a seat next to the artist at one of her popular workshops.
